The main objectives are:

1. **Enhance Employability:** Equip students with the necessary skills and knowledge to increase their employability and succeed in the job market.
2. **Facilitate Industry Connections:** Build and maintain strong relationships with industries and employers to create internship and job opportunities for students.
3. **Career Counseling:** Provide personalized career counseling and guidance to help students identify and pursue their career goals.
4. **Skill Development:** Organize workshops, training sessions, and seminars to develop essential soft skills, technical skills, and professional competencies.
5. **Organize Campus Placements:** Coordinate campus placement drives to connect students with potential employers and ensure a smooth transition from academia to the professional world.
6. **Alumni Networking:** Utilize the alumni network to offer mentorship, job referrals, and career advice to current students.
7. **Preparation for Job Market:** Conduct mock interviews, resume-building workshops, and other preparatory activities to boost students' confidence and readiness for job interviews and professional challenges.

Duties and Responsibilities:

1. **Organize Placement Drives:** Coordinate and manage campus recruitment drives, internships, and job fairs to provide students with employment opportunities.
2. **Industry Collaboration:** Establish and maintain relationships with industry partners, companies, and organizations to facilitate job placements and internships.
3. **Career Counselling:** Provide personalized career counseling and guidance to help students identify their career interests and plan their career paths effectively.
4. **Skill Development Programs:** Organize workshops, seminars, and training sessions focused on developing essential soft skills, technical skills, and professional competencies required in the job market.
5. **Resume and Interview Preparation:** Conduct mock interviews, resume-building workshops, and other preparatory activities to enhance students' confidence and readiness for job interviews and professional challenges.
6. **Track Employment Trends:** Keep abreast of current employment trends, industry requirements, and job market conditions to better align training and placement activities with industry needs.

7. **Feedback and Improvement:** Gather feedback from employers and students post-placement to continually improve the effectiveness of the placement process and address any areas for development.

Dr. Rituraj Bharadwaj
